

## VOLUNTOURISM ALONG THE LOLO TRAIL

### Snowbank Camp, Idaho | July 9 - 12

Join a small, hands-on stewardship crew working along one of the most significant historic corridors in the United States—the Lolo Trail. This immersive voluntourism experience combines meaningful trail work with rich interpretation, cultural engagement, and backcountry exploration.

This fully outfitted, multi-day voluntourism experience invites participants to contribute directly in the preservation and accessibility of the Lewis and Clark and Nez Perce National Historic Trails. Volunteers will assist with essential trail stewardship activities, including sign maintenance and corridor clearing, helping ensure safe and meaningful access for future visitors. All work takes place along the historic Lolo Trail Corridor—the route of the Lewis and Clark Expedition and the 1877 Flight of the Nez Perce.

This is more than a work trip. You will also experience - Guided hikes to historic campsites, Interpretation from subject matter experts, Evening campfire programs featuring: Nez Perce tribal representatives, Lewis & Clark historians, and U.S. Forest Service staff
